

Sealoc Outdoor Tilt Mount TM-T63SLC

Weatherproof Construction For All Seasons

Best in Class. Made for the Outdoors. The Sealoc TM-T63SLC Universal Design Outdoor Tilting Black Wall Mount is the perfect fit for any outdoor television screen ranging from 37" – 90" in size, strength tested and capable of holding up to 200 lbs. This mount is designed to be installed outdoors and to withstand rust and corrosion from weather exposure. Constructed using High-Grade Aluminum Steel, treated with Dacromet® coating, and sealed with a high-quality powder coating. Made for heavy-duty use, this mount's innovative design boasts features that allow for an adjustable locking tilt and pretensioned tilt mechanism. The Sealoc TM-T63SLC is compatible with any television with a VESA pattern up to 800 x 400 mm. Easy to install with post-installation screen leveling and dual-keyed locking mounting brackets to prevent theft and tampering.

Features

DACROMET® PROTECTION

Dacromet® coating provides year round protection against corrosion, rust, and all types of weather.

ADJUSTABLE TILT

Up to +15° of forward tilt and -5° of backward tilt, the mount can be positioned to a variety of angles.

DUAL KEYED LOCKS

Both hanger brackets come equipped with steel keyed locks to prevent theft and unwanted tampering

SLIM DESIGN

Construction and design allows for displays to be held just 2.2" from the wall when mounted.

Tested to UL standard
