

Sealoc Outdoor Heavy Duty Tilt Mount - HDTM-T80SLC

Weatherproof Construction For All Seasons

Outdoor Tilting Mount for extra-large displays. The Sealoc HDTM-T80SLC Universal Outdoor Tilting Wall Mount is made for Extra Large TVs ranging from 46" – 90" in size, and weighing up to 250 lbs and is perfect for heavy-duty commercial signage. This extreme duty mount is designed to be installed outdoors and is weatherproofed to withstand rust and corrosion from exposure. Constructed using high-quality, cold rolled steel, treated with Dacromet® coating, and sealed with a black high-quality powder coating. Made for heavy-duty commercial use, this mount's innovative design boasts features that allow for adjustable tilt range of 5" to 15". Compatible with 12 different VESA mounting patterns up to 800x400mm and has an open wall plate allowing for easy access to wiring. Includes a complete set of screen mounting hardware for fast and easy installation.

Features

UNIVERSAL DESIGN

Fits any hole pattern up to 800x400mm. Max VESA hole pattern 1105x629mm.

DACROMET® PROTECTION

Dacromet® coating provides year round protection against corrosion, rust, and all types of weather.

ADJUSTABLE TILT

Up to +15° of forward tilt and -5° of backward tilt, the mount can be positioned to a variety of angles.

DUAL KEYED LOCKS

Locking brackets for high security. Both hanger brackets come equipped with steel keyed locks to prevent theft and unwanted tampering.

SLIM DESIGN

Construction and design allows for displays to be held just 2.2" from the wall when mounted.

Tested to UL standard
