

Sealoc Outdoor Full Motion Mount - FM-A63SLC

Weatherproof Construction For All Seasons

The Sealoc FM-A63SLC Outdoor Full-Motion TV Mount is perfect for any outdoor TV ranging from 37" - 90" in size and is capable of holding up to 130 lbs safely. This mount is designed for full exposure to the elements as it features Dacromet® coating on its high-grade cold-rolled steel chassis, thus preventing rust, tarnishing and corrosion for many years. The Sealoc outdoor full-motion mount boasts features such as lateral shift for perfect TV alignment, post-installation screen leveling without the use of tools, integrated cable management and dual locking hanger brackets to keep your TV or digital signage safe from would-be vandals or thieves.

DACROMET® PROTECTION

Dacromet® coating provides year round protection against corrosion, rust, and all types of weather.

LATERAL SHIFT AND LEVELING

Post-installation screen adjustment allows for lateral (up/down) adjustment and individual side-to-side leveling for perfect placement.

DUAL KEYED LOCKS

Locking brackets for high security. Both hanger brackets come equipped with steel keyed locks to prevent theft and unwanted tampering.

Features

FULLY ADJUSTABLE ANGLES

With more than 15" of full extension, the full motion mount also has up to 45° pivot and +15°/-5° of tilt, allowing for a wide variety of viewing angles.

Tested to UL standard
